INTERNSHIP OFFER LETTER

Date: 06/08/2026
Intern ID: NW-0826-016
Domain: Cybersecurity

Dear Sangharsa Adhikari,

Congratulations! We are delighted to confirm your selection and warmly welcome you to our **Cybersecurity Internship** program at **Networkwalks**, effective from 09/08/2026 to 04/09/2026.

You will gain exposure to network security, vulnerability assessment, penetration testing, security operations, incident response, digital forensics, risk assessment and cybersecurity best practices, along with hands-on training and real-world projects.

During your internship, you are expected to perform your responsibilities with professionalism, integrity and dedication. You should actively participate in all training sessions, complete assigned tasks on time and follow the organization's policies and guidelines. We believe this internship will strengthen your technical skills, provide valuable industry experience and prepare you for a successful career in cybersecurity. We look forward to having you at Networkwalks and wish you a rewarding internship experience.

Sincerely,

Sonia John
Managing Director
Networkwalks IT Solutions & Training
